PROFESSIONAL SUMMARY

Results-driven E-Commerce Jewelry Merchandiser and Digital Category Strategist with 10+ years of comprehensive experience scaling fine diamond, gold, and luxury jewelry brands across India, USA, Canada, and Mexico. Expert in end-to-end digital merchandising: hero assortment curation, dynamic visual merchandising, pricing & margin architecture, SKU lifecycle management, CAD/costing coordination, and multi-channel catalog presentation (Magento, Shopify, Amazon Brand Store). Proven track record managing 5,550+ luxury listings, optimizing jewelry AOV (10K+ INR / luxury price points), and steering data-backed merchandising funnels that consistently deliver 3x–7x ROAS. Adept at bridging jewelry manufacturing, gemstone costing, creative visual assets (360° views, CAD, A+ content), and performance marketing to maximize sell-through.
